40. Library, Institute of Engineers

The Institution of Engineers, Sri Lanka established in 1956 was the successor to the then Engineering Association of Ceylon which was founded in 1906 at Anuradhapura by a few dedicated engineers serving in the public sector, with the objective of providing general advancement of science and practice of engineering in all disciplines concerned according to rules agreed to by its members. In 1968, the Institution of Engineers, Sri Lanka was made an incorporated body of the Government by an act of parliament. It represents the interests of the engineering profession and the general public its members serve.

66. Resource Center, Practical Action Sri Lanka

Practical Action is an international charity that promotes practical technological solutions to poverty reduction. Set up over 40 years ago in the UK by Dr. Fritz Schumacher, to show that, his then ground breaking environmental economic concepts conveyed through the famous book “Small is Beautiful”. Known as Intermediate Technology Development Group (ITDG) at the inception. Practical Action works in number of countries in Asia, Africa and Latin America demonstrating innovative technology based solutions that communities in poverty can adopt and to work themselves gradually out of poverty.afford to belong but rather can they afford not to?

94. Library, University of Jaffna

The university library has three branch libraries at Faculty of Medicine, Department of Siddha Medicine and Ramanathan Academy of Fine Arts. The Ramanathan Library consisted mainly of materials collected by Sir.Pon.Ramanathan during his long, varied and eventful career. There were books on Law, Hindu Philosophy and Religion, Christian Theology, Economics, Law, English History and Literature, Politics and Government. The Library of the undergraduate section of the Jaffna College was essentially a working collection for undergraduate study. The Vidyananthan library is the main library of the University and is housed in a spacious building at a central spot in the Thirunelvely Campus.

112. Main Library, University of Sri Jayawardenapura

The library was commenced with an initial collection inherited from Vidyodaya Pirivena with establishment of the Vidyodaya University of Ceylon in 1959. Subsequently it was housed in a substantial area of the Sri Sumangala Building since 1961 and developed the collection over the years. The entire collection of the library was shifted to aspirate library building in 1988. It is certainly located with provision for a full-pledged library. The new building was designed to draw as much as natural light, ventilation and fresh air as possible into the complex, and to blend well with the surroundings	Librarian Mrs. N.D. Wijayasundara
